

MV Agusta 350 Elettronica

MV Agusta 350 Elettronica

The MV Agusta 350 Elettronica, introduced in the early 1970s, represents the pinnacle of Italian engineering and racing heritage. Known for its sleek design, advanced electronic ignition system, and legendary performance, this model was one of MV Agusta's finest road-going motorcycles of its time. With its air-cooled 349cc parallel-twin engine, the 350 Elettronica was a blend of race-proven technology and timeless Italian craftsmanship.

This 1972 MV Agusta 350 Elettronica has only 16,904 km on the clock and comes with Dutch registration papers. It is an exceptionally well-preserved example of this highly collectible motorcycle, offering a rare opportunity for enthusiasts and collectors.
